

Attention Parma Residents **DISPOSING OF BULKY ITEMS?**

Please be sure to properly prepare your bulk items before disposal.

Place your Rumpke provided recycle and trash cart weekly, along with either 6 extra bags or (3) 32 gallon cans. Additional trash may not be collected. Residents may also place out bulk items weekly. Please properly prepare your bulk items.

At Rumpke, we strive to provide an exceptional customer service experience, every time. We want to make your bulk item pick-up easy and convenient. To ensure the safety of our drivers, we ask that you properly prepare your bulk items for pick-up.

HERE'S HOW TO PROPERLY PREPARE YOUR MATERIAL:

- Set your items curbside the evening prior to the scheduled service day.
- Carpet must be cut into rolls no longer than 4 ft. and no heavier than 50 lbs.
- All upholstered items, such as mattresses, box springs and couches, must be wrapped in plastic.
- Household hazardous waste does not belong in your trash or recycling. Items such as batteries, paint, tires, pool chemicals, propane tanks, syringes and electronics must be disposed of properly. Contact your local solid waste district to find out how and where to properly dispose of household hazardous waste.
