

Ohio Challenger 2009 Little League Baseball Tournament will be here* this year!

How can you help bring smiles to the faces of boys and girls from around Ohio? Not just any boys and girls....baseball players in the Challenger Little League Baseball program.

Parma has been selected to host the prestigious Ohio Challenger Baseball Little League Tournament this year. The tournament will be played at Veterans Memorial Park (formerly State Road Park) July 18 and 19, 2009 and several hundred players, parents and coaches from all across the Buckeye State will be attending.

The Challenger Little League Baseball program was established for boys and girls ages five to 18 with physical and mental disabilities. The program's fundamental goal is to give everyone a chance to play, regardless of limitations. Parents, coaches and friends act as "buddies" to assist the Challengers run the bases, catch, throw, push wheelchairs and more. Watch some video clips from last year's tournament at www.neochallenger.org.

The program provides therapeutic and socialization benefits for the players. Coaches say it also builds self-esteem while allowing the children an opportunity to enjoy the game of baseball along with millions of other Little Leaguers around the world. Baseball allows them to experience the joys of pulling together as a team, something many of us take for granted.

The Ohio Challenger Baseball Little League Tournament needs financial support from you and your organization to make those smiles happen. Equipment, refreshments, shirts, and trophies in addition to the social activities for everyone are part of the expenses for putting together a memorable event. Your sponsorship or contribution will help. The boys and girls in the Challenger program will appreciate anything you can do.

*City of Parma, Greater Cleveland, and Northeast Ohio are proud to be selected as this year's tournament site! We want to make it the best ever...with your help!

Please use the form enclosed to confirm your sponsorship or make a contribution.
