

Energy Saving Kit from Ohio Edison

This offer is for all residential account customers served by Ohio Edison. Customers will receive the following Energy Conservation Kit, paid for through Senate Bill 221 requirements. No additional costs or handling fees will be charged to customers who request the kits.

Ohio Edison residential customers will be eligible to receive an Energy Conservation Kit with:

- 4 – 60 watt equivalent CFLs
- 3 – 100 watt equivalent CFLs
- 2 – 75 watt equivalent CFLs
- 2 LED night lights
- 1 smart strip (power strip that shuts off other equipment when the master equipment is not in use)

How to Enroll

Customers can sign up to receive their Energy Conservation Kit by enrolling online at www.ohioenergykit.com or by calling our vendor, PowerDirect, at **1-888-866-3201**

Customer must have their 12 digit Ohio Edison account number in order to order.
