

City of Parma 2025 Leaf Collection Schedule & Rules

Notice to Residents

The leaf collection program helps prevent blockage of street catch basins, sewer backup into homes and standing water in the roadways that can cause icy conditions. The City of Parma's leaf collection program is not intended to be a landscaping service for its residents, and residents should limit their leaf collections from their front yards. Residents should follow these basic instructions:

1. Do not rake leaves into the street and avoid blocking catch basins. Do not put sticks, rocks or other debris into leaf piles, which may cause damage to leaf equipment or cause injury to city workers.
2. Do not park vehicles on the street in front of leaf piles during a scheduled collection week because this may hinder the collection process.
3. During their scheduled times, residents should have their leaves ready for pickup on tree lawns. If that is not possible, it is the resident's responsibility to bag leaves according to Rumpke guidelines and put them out on the scheduled trash pickup day.
4. The exact dates or times streets will be serviced are difficult to predict, but weather permitting, the below schedule will indicate the dates and times in four sections. For more information, contact the Service Department at 440-885-8980 or 440-885-8191.

Section 1

From Brookpark/West 54th (eastside of street) to West 10th
and from West 10th/Brookpark (south) to Ridgewood (northside of street)
