

Cleveland Water

LEAD SERVICE LINE REPLACEMENTS

Construction Notice

Contractors should start work on your street in the next few days.

NO STREET PARKING WHEN CONTRACTORS ARE WORKING.
(Generally, Monday to Friday from 7 AM to 5 PM)

Please do not park on the street in the work area during work hours.
Signs will be posted, and violators will be towed if necessary.

Normal parking is permitted after construction hours and on days when crews are not working. Some areas may be barricaded. Avoid parking where your car will block traffic near barricades.

Typically, all customers will have water while the work is ongoing. Service disruptions may occur without notice when emergency repairs are needed. We understand this work may be an inconvenience and will make every effort to minimize disruption.

YOUR SAFETY IS OUR CONCERN

We urge you to observe all barricades, warning lights, and personnel. They are there for your protection. If a vehicle or work is blocking your driveway and you need to get out, please let contractors know 20 minutes before you need to leave. **For the safety of the people performing the work and the integrity of the work, certain steps in the work process cannot be stopped until that step is complete.** We ask that you limit the number of trips through the work zone to help expedite the pace of work.

Cleveland Water staff will be on site during work to assist you and answer questions.

If you have concerns, please call the Lead Inquiry Line at **216-664-2882** between 7 am and 4 pm.

For water-related emergencies, call Cleveland Water's 24-hour Emergency Line at **216-664-3060**.

**** MARKING INFRASTRUCTURE** – Ohio's OUPS system marks underground utilities. Property occupants are responsible for marking their own sprinkler systems, invisible dog fences, etc.

**** GRASS REMINDER** – Once work at your address is complete, we depend on the property occupant to water and properly care for the restored treelawn so the grass seed can grow. Please scan the QR code to the right for further instructions.
